Overview

A Swiss welcome in Berlin

The surprisingly different Mövenpick Hotel Berlin is as individual and as multifaceted as the city of Berlin. Centrally but peacefully located at Potsdamer Platz, the 4 Star Superior hotel combines innovative interior architecture with modern furnishings. The exceptional design of the former Siemens-höfe lends a special charm to the location's atmosphere.

The majority of the 243 guest rooms and the 12 event rooms face towards the quiet courtyards.

Our restaurant Hof zwei and the adjacent Lobby Bar offer a wide choice of food and beverages in a carefully created ambience under a glass roof.

Our guests enjoy free Wi-Fi in the hotel and the additional services in our business centre. Attentive, personal service and authentic friendliness comprise perfect hospitality in historic surroundings.

Dining Entertainment

Mövenpick Restaurant's culinary range is focused on Swiss, Mediterranean and regional dishes.

The restaurant in the style of a Mediterranean Piazza is situated in the second of the historical courtyards. A glass roof which can be opened during good weather and a show cooking area lend the restaurant a special flair. The selection of dishes on the menu ranges from regional and Swiss specialities to sweet treats from the in-house patisserie.

Another highlight is the innovatively designed Lobby Bar with direct access to the restaurant. The bar welcomes both early birds and night owls with a service range that starts with breakfast for guests in a hurry and concludes with a relaxing nightcap. Comfortable seating and a pleasant atmosphere provide the ideal background for business meetings, social gatherings and relaxation.

Sport Leisure

Gym and sauna exclusively reserved for our hotel guests.

Enjoy our modern gym and take the time to relax in the sauna. Both are available each day exclusively to hotel guests. Berlin has plenty to offer for those seeking relaxation in addition to big-city excitement.

There are numerous parks, lakes and rivers and an abundance of cultural activities. Guests can stroll or jog in the nearby Tiergarten, Berlin's largest park. Or they can explore Berlin and its sights along the network of waterways threading through the city which boasts even more bridges than Venice.

Excursion boats dock close to the hotel on Planufer where passengers are picked up to see the landmarks from the water. Well-signposted bike paths make it simple for visitors to see the sights and Berlin's green oasis by bicycle.

In Berlin, history and the present stand side by side. Only a few minutes from the historical Brandenburg gate is Potsdamer Platz with its breathtaking contemporary architecture. The Reichstag (the seat of parliament), Berlin cathedral and the Charlottenburg palace are all distinguished representatives of past eras and the Nikolai quarter and the Philharmonie concert hall have a great deal to offer too.

We would be very happy to help you plan your excursions. You can find more information at www.visitberlin.de.
