Sport Leisure

Where past and present age comes together.

Nuremberg is a major city, where history meets the present. The historical old town displays impressive medieval churches and the Imperial Castle, the numerous museums are proof of the city's active cultural life. For example, there are the National Germanic Museum for art and culture or the famous Toy Museum. With the Documentation Centre at the Nazi Party Rally Grounds and the Memorium Nuremberg Trials, Nuremberg shows that the city knows how to deal responsibly with the darkest period of its history.

Guests of the Franconian metropolis may also enjoy local specialties, like the famous Nuremberg sausages or the city's tasty gingerbread, the „Elisenlebkuchen“. Entertainment may be found at the opera house and the philharmonic hall, as well as at the Cinecittà, one of Europe's largest movie theatres.

If you wish to relax, you will find a gym, a sauna, a steam bath and an infrared cabine in our fitness- and wellness area. If you tell us 24 hours in advance, we will also prepare a nice massage for you.
