PULLMAN MUNICH

Peaceful but still in the heart of things: the hotel in Schwabing offers the perfect blend of inspirational surroundings and elegant interior. The classic and timeless design style can be felt even in the lobby. The garden terrace of THEOS Lounge & Bar shows that comfort and modernity can form a harmonious unit.

CENTRAL LOCATION IN MUNICH'S TRENDY DISTRICT

The hotel is located in the heart of Schwabing. For guests, this means lots of inspiration can be found in the surroundings and the distances to the city's most important sights are pleasantly short. The nearest underground station will take guests into the heart of the city, the Marienplatz, in just seven minutes. The Lufthansa shuttle can get to the hotel in 25 minutes. In spite of its urban connections, guests can also enjoy the "green" side of Munich in this Pullman thanks to its location next to the English Garden.

ELEGANCE WITH A TIMELESS STYLE.

The atmosphere in the hotel is typically Pullman. The relaxed flair can be felt as soon as you enter the stylishly decorated lobby. An impression that continues throughout the hotel, both in the elegant and spacious rooms and suites as well as in the inviting culinary locations. Here, there is an idyllic lounge terrace in the green courtyard and even a casual beach atmosphere in summer. A Pullman with lots of loving details.

AN INNER COURTYARD AS AN OASIS OF PEACE

An inspiring contrast: while the nearby heart of Schwabing offers lots of inspiration, the spacious inner courtyard of the hotel offers a pleasantly calm atmosphere. But not only that: guests here have the privilege of enjoying Munich's first hotel beach. You can relax here on THEOS Cast Away Beach, a 120 sq. m beach, with the fine sand beneath your feet or on sun loungers. A little reed island in the middle of the beach provides a tropical accent. The lounge and terrace in the middle of the green garden are just as inviting. They provide two perfect locations either for a drink or to enjoy the hotel's culinary specialities.

The small inner courtyard is recommended for many types of group events such as a tasty team barbecue, a beach party after a stressful meeting or personal training session in an idyllic atmosphere.
