spojena sprata.**

Šesti sprat je posvećen ženama i muškarcima, dok je sedmi sprat rezervisan isključivo za žene.

FACE TREATMENTS

Bali Flowers Ritual Facial

Deep cleansing treatment, skin perfector and “radiance booster” inspired by Balinese beauty rituals.

Rebalancing Oil Control Facial

Treatment is most suitable for the oily/combination skin.

Hydra Moisturizing Facial

Water plays a central role in making sure your skin stays healthy, smooth and radiant.

BODY TREATMENTS

CINQ MONDES Sublime Scrub and Balm

This treatment is suitable for sensitive skin. Flowers, sugar and coconut powder regenerates the skin and awakens the mind.

CINQ MONDES Energizing Aromatic Scrub and Oil Balm

Let yourself be carried away by the delicate scents of this energizing spice and sea salt treatment for soft and silky skin, followed by oily balm suited to dry skin.

Yogurt and Honey Body Wrap (Infrared Sauna Blanket)

A rich nourishing Yoghurt and Honey Body Mask returns skin a natural freshness.

MANICURE & PEDICURE

Spa Manicure

Express Manicure includes nails shaping, buffing and trimming of the cuticles.

Spa Pedicure

Express Pedicure includes nails shaping, buffing and trimming of the cuticles.

Spa Manicure and Pedicure

Have a deluxe experience with our deluxe manicure and pedicure.

Pretty Hands and Feet (for juniors)

Attempt an early start to establishing personal grooming habits.

TRETMANI LICA

Cvijetni ritual lica sa Balija

Dubinski tretman čišćenja i usavršavanja kože, te “pojačavanje sjaja” kože inspirisan je ritualima ljepote sa Balija.

Rebalansiranje kontrole ulja lica

Tretman je najprikladniji za masnu/kombinovanu kožu.

Hidratizirajuci tretman lica

Voda igra glavnu ulogu u tome da Vaša koža ostane zdrava, glatka i blistava.

TRETMANI TIJELA

CINQ MONDES Sublimirajuci piling i balzam

Ovaj tretman pogodan je za osjetljivu kožu. Cvijeće, šećer i kokosov prah regenerišu kožu i bude um.

CINQ MONDES Energetski aromatični piling i uljani balzam

Preputite se osjetljivim mirisima ovog energetskog začina i tretmana morske soli za nježnu i svilenkastu kožu. Tretman je upotpunj uljanim melemom pogodnim za suhu kožu.

Maska od jogurta i meda (infracrvena deka)

Maska bogata hranjivim jogurtom i medom vraća koži prirodnu svježinu i sjaj.

Escape away with our massages

Otplovite sa našim masažama

Hot Stone Massage

Ancient therapy based on use of smooth water-heated basalt stones.

Deep Tissue Massage

Deep tissue massage is designed to relieve pain and muscle tension throughout the body.

Pregnancy Massage

Prenatal massage is a comfortable, stress-reducing massage for women who are with child.

Swedish Massage

Swedish massage therapy is the most well-known and widely practiced type of therapeutic massage.

Aromatherapy Massage

Aromatherapy massage is the use of essential oils to promote healing and relieve stress.

Cinq Mondes Oriental Massage

The massage inspired by the Oriental tradition

Shiatsu Massage

Shiatsu applies “finger pressure” to specific points on the body.

Ayurvedic Massage

Ayurvedic massage is an energetic massage which unknots and relieves areas of tension.

Back, Neck and Shoulder Massage

Back, Neck and Shoulder therapy soothes away tensions in your upper body, breaks down knots and improves your flexibility.

Indian Head Massage

Indian head massage combines techniques of various massage strokes and acupressure points.

Foot Reflexology

This holistic treatment uses focused pressure techniques to a range of particular points on your feet.

Masaža vrućim kamenjem

Antička terapija koja se temelji na upotrebi zagrijanog vulkanskog kamenja.

Masaža dubokog tkiva

Masaža dubokog tkiva osmišljena je za ublažavanje boli i mišićne napetosti u cijelom tijelu.

Masaža za trudnice

Masaža za trudnice je opuštajuća masaža koja smanjuje stres i vraća Vašem tijelu energiju.

Švedska masaža

Švedska masaža je najpoznatija i široko upražnjavana vrsta terapeutske masaže.

Aromaterapijska masaža

Aromaterapija masaža podrazumijeva korištenje essencijalnih ulja u svrhu relaksacije.

CINQ MONDES orientalna masaža

CINQ MONDES masaža inspirisana je orientalnom tradicijom.

Shiatsu masaža

Shiatsu primjenjuje “pritisak prstima” na određene tačke tijela što poboljšava cirkulaciju i opušta Vaše tijelo.

Ayurvedska masaža

Ayurvedska masaža je energetska masaža koja ublažava bol i mišićne napetosti.

Indijska masaža glave

Indijska masaža glave je kombinacija tehnike raznih masažnih poteza i akupresurnih tačaka.

Refleksologija stopala

Ovaj holistički tretman koristi fokusirane tehnike pritiska određenih tačaka na stopalima.

Masaža leđa, vrata i ramena

Terapija leđa, vrata i ramena ublažava napetosti u gornjem dijelu tijela, razbija čvorove i poboljšava fleksibilnost.
