FAIRMONT GRAND HOTEL GENEVA

REGION ACTIVITIES AND SIGHTSEEINGS

Fairmont
GRAND HOTEL GENEVA

Geneva

Geneva offers a variety of alternatives for guests who want to explore rich cultural and historical sites. Ideally located, Geneva is the perfect gateway to Switzerland for leisure and business purposes served by 200 trains a day and 935 direct flights. Our destination is an outstanding place to hold international congresses, conferences, or motivation-trips, as well as an unrivalled top destination for tourists visiting Switzerland and the region. The beauty of the surroundings and fun activities offer an amazing experience not to be missed.

ACTIVITIES & SIGHTSEEINGS

Geneva, Switzerland

CERN

CERN, the European Organization for Nuclear Research, is one of the world's largest and most respected centres for scientific research. Established in 1954, the organization is based in a northwest suburb of Geneva on the Franco–Swiss border and has 23 member states.

Old Town

Geneva's Old Town, in French called Vieille Ville, is an ancient maze of small streets and picturesque squares, filled with homey cafés, restaurants, galleries, museums and historical sights, lined by historical buildings adorned with beautiful masonry facades. You're whisked a thousand years back into the times of ancient Geneva.

United Nations

The United Nations Office at Geneva is the second-largest of the four major office sites of the United Nations. It is located in the Palais des Nations building constructed for the League of Nations between 1929 and 1938 at Geneva in Switzerland, and expanded in the early 1950s and late 1960s. Be one of the 120,000 visitors who take the tour of the Palais des Nations each year and learn about the United Nations and the United Nations in Geneva.

Fairmont Grand Hotel Geneva

English Garden

On a straight left coming from the Pont du Mont-Blanc is the English Garden, spread over more than 25,000 square meters, this plot of land was built in 1854 following the model of English landscape gardens.

Home to the world-famous Flower Clock, the English Garden is an absolute must see for tourists who happen to take a stroll down the famous left bank boardwalk of Quai Gustave Ador.

The Broken Chair

The broken chair stands on only three legs. It is one of the 21st century's most emblematic works of art. Broken Chair is the work of sculptor Daniel Berset. It was made in 1997 for the NGO Handicap International. Its message is simple: remember the victims of landmines, urge your government to promote a ban on landmines. Think of making a stopover here before heading further to visit the international district.

Botanic Garden

A living museum, the botanical gardens present a collection of more than 12,000 species! Geneva's first botanical gardens were created in 1817 as an expression of the then prevailing naturalist trend. Today, the Botanical Gardens and Conservatory occupy roughly 28 hectares.

Annecy

Annecy in Haute Savoie in France is a beautiful city where a castle towers over the lakeside old town with colorful houses, churches, parks, and popular outdoor markets. Annecy is called the “Venice of the Alps” because of the river and canal that pass through its old town.
